BACCHANALIA

PALETTE

Colour is the starting point of every story within Palette. Inspired by the hues, textures, and details woven throughout Bacchanalia and Apollo's Muse. This collection transforms the restaurant's art, architecture, and design into a spectrum of exceptional cocktails.

From the richness of stone and mosaic, to the glow of painted surfaces and sculptural forms, each serve is shaped by a singular source of inspiration and brought to life through flavour, craft, and imagination.

Designed as a journey through colour, Palette invites you to explore Bacchanalia from a new perspective: discovering the beauty, character, and hidden details of the space, one cocktail at a time.
